**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I highly value the ability to choose from my ISP for my home/work internet. Sonic and their gigabit fiber has empowered my home internet experience and allowed me to interact with communications material in a way I never could have otherwise, and at a very fair price with excellent service.

If this is hindered or made more expensive this will personally impact me and many of my neighbors. Please help me and my community to keep this crucial freedom and technology the way it is now.
